### Fill in the gaps

#### The Number Of The Beast by Iron Maiden

Woe to you (Oh) (1) and sea	In the mist, dark figures move and twist
For the Devil (2) the beast with wrath	Was all this for real, or (14) some kind of hell
Because he knows the time is short	Six, six, six the number of the beast
Let him who hath understanding reckon	Hell and fire was spawned to be released
The number of the beast for it is a human number	Torches blazed and sacred (15) were praised
It's number is six (3) and sixty six	As they start to cry, (16) (17) to the
l left alone, my mind was blank	sky
I needed time to think	In the night, the (18) burning bright
To get the (4) from my mind	The ritual has begun, Satan's work is done
What did I see, can I believe?	Six, six, six the (19) of the beast
That (5) I saw that night was real	Sacrifice is going on tonight
And not just fantasy	This can't go on, I (20) inform the law
Just what I saw	Can this still be real or just (21) crazy dream
In my old dreams	But I feel drawn (22) the evil chanting
Were (6) reflections	hordes
Of my (7) (8) (9)	They seem to mesmerize
back at me	Can't avoid (23) eyes
Cause in my dreams	Six, six, six the number of the beast
It's always there	Six, six, six the one for you and me
The evil face (10) (11) my mind	I'm coming back, I (24) return
And (12) me to despair	And I'll (25) your body and I'll make you
Yeah!!!	burn
The night was black, was no use holding back	I have the fire, I have the force
Cause I just had to see	I (26) the (27) to make my evil take
Was (13) watching me	its course
