The Number Of The Beast by Iron Maiden

Woe to you (Oh) (1) and sea	In the mist, dark figures move and twist
For the Devil sends the beast with wrath	Was all this for real, or just some (6) of hell
Because he knows the time is short	Six, six, six the number of the beast
Let him who hath (2) reckon	Hell and (7) was (8) to be
The number of the beast for it is a human number	released
It's number is six hundred and sixty six	Torches (9) and sacred (10)
l left alone, my mind was blank	were praised
I needed (3) to think	As (11) start to cry, hands held to the sky
To get the memories from my mind	In the night, the fires burning bright
What did I see, can I believe?	The ritual has begun, Satan's work is done
That what I saw that night was real	Six, six, six the (12) of the beast
And not just fantasy	Sacrifice is (13) on tonight
Just what I saw	This can't go on, I must inform the law
In my old dreams	Can (14) still be (15) or just some crazy
Were they reflections	dream
Of my warped mind staring back at me	But I (16) (17) (18)
Cause in my dreams	the (19) chanting hordes
It's always there	They (20) to mesmerize
The evil face that twists my mind	Can't avoid their eyes
And brings me to despair	Six, six, six the number of the beast
Yeah!!!	Six, six, six the one for you and me
The night was black, was no use (4) back	I'm (21) back, I (22) return
Cause I just had to see	And I'll possess your body and I'll make you burn
Was someone (5) me	I have the fire, I have the force
	I have the power to make my evil take its course
