Run To The Hills (Live) by Iron Maiden

White man (1) across the sea	Raping the women and (15) the men
He (2) us pain and misery	The only (16) Indians are tame
He killed our tribes, he killed our creed	Selling (17) whisky and (18)
He (3) our game for his own need	(19) gold
We fought him hard, we fought him well	Enslaving the young and destroying the old
Out on the plains we gave him hell	Run to the hills
But (4) came, too (5) for Cree	Run for (20) lives
(Oh) (6) we ever be set free?	Run to the hills
Riding (7) (8)	Run for (21) lives
and (9) wastes	(Ohoh oh)
Galloping hard on the plains	Run to the hills
Chasing the redskins back to (10) holes	Run for (22) lives
Fighting them at their own game	Run to the hills
Murder for freedom, a (11) in the back	Run for your lives
Women and children and (12) attack	Run to the hills
Run to the hills	Run for your lives
Run for (13) lives	Run to the hills
Run to the hills	Run for your lives
Run for your lives	
Soldier blue in the barren wastes	
Hunting and (14) for game
