

Fill in the gaps

(This song is called Wait and Bleed)		Makin' my mind up and takin' your breath away	
I've felt the hate rise up in me		I've felt the hate rise up in me	
Kneel (1) and (2)	the stone of leave	Kneel down and clear the sto	ne of leave
I wander out where you can't see		I wander out where you can't see	
Inside my shell, I wait and bleed		Inside my shell, I (17)	and bleed
I've (3) the hate rise up in me		I've felt the hate rise up in me	
Kneel (4) and (5) the (6)		Kneel (18) and clear the stone of leave	
of leave		I wander out where you can't see	
I (7) out where you can't see		Inside my shell, I (19)	and bleed
Inside my shell, I (8) and bleed		Goodbye!	
Goodbye!		You haven't learned a thing	
I wipe it off on tile, the light is	(9) this	I haven't changed a thing	
time		My flesh was in my bone	
Everything is 3D blasphemy		The pain was (20)	free
My eyes are red and gold		You haven't learned a thing	
The hair is standing straight up		I haven't changed a thing	
This is not the way I pictured me		My flesh was in my bone	
I can't control my shakes!		The (21) was (22)) free
How the (10) did I get here?		I've felt the hate rise up in me	
Something (11) this, so (12) wrong		Kneel down and clear the stone of leave	
I (13) to laugh out loud, I wish I didn't like this		I (23) out who	ere you can't see
Is it a dream or a memory?		Inside my shell, I (24)	and bleed
I've felt the hate rise up in me		I've felt the hate (25)	up in me
Kneel down and clear the (14) of leave		Kneel down and clear the (20	6) of leave
I wander out where you can't see		I wander out where you can't see	
Inside my shell, I wait and bleed		Inside my shell, I (27) and bleed	
Get out of my head		And it waits for you!	
'Cause I don't need this!			
Why I didn't I see this?			
I'm a victim, Manchurian Candid	ate		
I (15) (16)	by just		

1. down
