

Tell me the reality

## Fill in the gaps

I Push my (1)	into my	Is better than the dream
Eyes it's the only (2)	that slowly stops the ache	But I found out the hard way
But it's made of all the things I have to take		Nothing is what it seems
Jesus it (3) ends,	to push it's way inside	I push my fingers into my eyes
If the (4) (5)	on	It's the only thing that slowly (18) the ache
I have (6)	until my veins collapsed	But it's made of all the (19) I have to take
I waited as my time elapsed		Jesus it (20) ends, It works it's way inside
Now all I do is live (7)	so much fate	If the (21) goes on
I've wished for this, I've bitched	at that	I'm not (22) make it
I've left behind (8) lit	tle fact	All I've got
You cannot (9) what	you did not create	All I've got is insane
I've gotta say what I've (10)	say	All I've got
And then I swear I'll go away		All I've got is insane
But I can't (11)	you'll (12) the	All I've got
noise		All I've got is insane
I guess I'll (13) the b	est for last	All I've got
My (14) seems	like one big past	All I've got is insane
You're (15) with me	'cause you left me no choice	I (23) my (24) into my eyes
I push my fingers into my eyes		It's the only thing that slowly stops the ache
It's the (16) thing the	hat (17) stops	But it's made of all the things I have to take
the ache		Jesus it never ends, It (25) it's way inside
If the pains goes on		If the pain goes on
I'm not gonna make it		I'm not gonna (26) it
Put me back together		
Or separate the skin from bone		
Leave me all the pieces		
Then you can leave me alone		

## 1. fingers

- 2. thing
