We'll Be Together by Sting

Forget the weather we should always be together

Fill in the gaps

I see me with you and all the things you do	I need you as my guide and my light
Keep turning round and round in my mind	My love is a flame
Forget the weather, we should always be together	That burns in (4) name
And any other thought is unkind	We'll be together
To have you with me I would swim the sevens seas	We'll be together tonight (together)
I need you as my guide and my light	We'll be together (together)
My love is a flame (1) burns in your name	Together
We'll be together	We'll be together (together)
We'll be together tonight (together)	We'll be together (together)
We'll be together (together)	We'll be together tonight (together)
We'll be together (together)	We'll be together (5) (we'll be together
We'll be together (together)	We'll be together tonight (together)
I see you with me and all I want to be	We'll be together tonight (we'll be together)
Is dancing here with you in my arms	We'll be together tonight (be together)
Forget the weather, we (2) always be together	We'll be (6) tonight (together)
I'll always be a slave to your charms	We'll be together tonight (together)
