

together

Fill in the gaps

I see me with you and all the (1) you do	I need you as my (13) and my light
Keep turning round and round in my mind	My (14) is a flame
Forget the weather, we should always be together	That burns in your name
And any other thought is unkind	We'll be together
To have you with me I would swim the (2)	We'll be (15) tonight (together)
seas	We'll be together (together)
I need you as my guide and my light	Together
My love is a flame (3) burns in your name	We'll be together (together)
We'll be together	We'll be together (together)
We'll be together (4) (together)	We'll be (16) tonight (together)
We'll be together (together)	We'll be together tonight (we'll be together)
We'll be together (together)	We'll be together tonight (together)
We'll be together (together)	We'll be together tonight (we'll be together)
I see you with me and all I want to be	We'll be together (17) (be together)
Is (5) here with you in my arms	We'll be (18) (19)
Forget the weather, we should always be together	(together)
I'll (6) be a slave to (7) charms	We'll be together tonight (together)
To have you with me I would swim the seven seas	We'll be together (20) (together)
I need you as my (8) and my light	If you need (21) (together)
My love is a flame	We'll be together (22) (together)
That burns in your name	We'll be together (23) (together)
We'll be together	We'll be together tonight (together)
We'll be (9) tonight (together)	We'll be (24) tonight (together)
We'll be (10) (together)	If you wanna (25) something precious
We'll be together (together)	We'll be (26) tonight (together)
We'll be together (together)	We'll be together tonight (together)
Call me baby	We'll be together (27) (we'll be together)
You can call me anything you want	We'll be together tonight (together)
Call me baby	Love somebody, let's get together
Call me	To love somebody, let's get together
Call me	And to love somebody, let's get together
I see you with me and baby (11) three	
I see me with you and all the things you do	
Forget the weather we should (12) be
