We'll Be Together by Sting

Fill in the gaps

I see me with you and all the things you do		I need you as my guide and my light	
Keep turning round and (1)	in my mind	My love is a flame	
Forget the weather, we should always be together		That burns in (8) name	
And any (2) thought is unkind		We'll be together	
To have you with me I would swim the sevens seas		We'll be together tonight (together)	
I need you as my (3) and my light		We'll be together (together)	
My love is a flame that burns in your name		Together	
We'll be together		We'll be together (together)	
We'll be together tonight (together)		We'll be together (together)	
We'll be together (together)		We'll be together tonight (together)	
We'll be together (together)		We'll be together tonight (we'll be together)	
We'll be together (together)		We'll be together tonight (together)	
I see you with me and all I want to be		We'll be together tonight (we'll be together)	
Is dancing here with you in my arms		We'll be together tonight (be together)	
Forget the weather, we should (4) be together		We'll be together tonight (together)
