Waiting For The End by Linkin' Park

Fill in the gaps

This is not the end	I know how it (6) to lie,
This is not the beginning,	All I wanna do
Just a voice like a riot	Is trade this life for something new
Rocking every revision	Holding on to what I haven't got
But you listen to the tone	What was left when that fire was gone?
And the violent rhythm	I thought it felt right but that right was wrong
Though the words sound steady	All caught up in the eye of the storm
Something empty's within 'em	And trying to figure out what it's like moving on
We say Yeah!	And i don't even know what kind of things I've sai
With fists flying up in the air	My mouth kept moving and my mind went dead
Like we're holding (1) something	So, picking up the pieces, now where to begin?
That's invisible there,	The hardest part of ending Is starting again!!
'Cause we're living at the mercy of	All I wanna do
The pain and the fear	Is trade (7) life for something new
Until we dead it, Forget it,	Holding on to what i haven't got
Let it all disappear.	This is not the end
Waiting for the end to come	This is not the beginning,
Wishing I had strength to stand	Just a voice like a riot
This is not what I had planned	Rocking every revision
It's out of my control	But you listen to the tone
Flying at the speed of (2)	And the violet rhythm
Thoughts were (3) in my head	Though the words sound steady
So many things (4) left unsaid	Something empty's within 'em
It's hard to let you go	(Holding on to what i haven't got)
(Oh!) I know what it takes to move on,	We say Yeah!
I know how it feels to lie,	With (8) flying up in the air
All I wanna do	Like we're holding onto something
Is trade this life for something new	That's invisible there,
Holding on to what I haven't got	'Cause we're living at the mercy of
Sitting in an empty room	The pain and the fear
Trying to forget the (5)	Until we dead it, Forget it,
This was never meant to last,	Let it all (9)
I wish it wasn't so	(Holding on to (10) i haven't got!)
(Oh!) I know what it takes to move on,
