

## Fill in the gaps

Take all our time...

| Two weeks away  |  |  |  |
|---|--|--|--|
| It feels like the whole world should've changed                         |  |  |  |
| But I'm home now  |  |  |  |
| And things still look the same  |  |  |  |
| I (1) I'll leave it till tomorrow to unpack                             |  |  |  |
| Try to forget for one more night  |  |  |  |
| That I'm back in my flat on the road                                    |  |  |  |
| Where the cars never stop going through the night                       |  |  |  |
| To a life (2) I can watch sunset  |  |  |  |
| I don't have time   |  |  |  |
| I don't have time   |  |  |  |
| I've still got sand in my shoes   |  |  |  |
| And I can't shake the thought of you                                    |  |  |  |
| I should get on, forget you   |  |  |  |
| But why would I want to   |  |  |  |
| I (3) we said goodbye   |  |  |  |
| Anything else would've been confused but                                |  |  |  |
| I wanna see you again   |  |  |  |
| Tomorrow's back to work and down to sanity                              |  |  |  |
| Should run a bath   |  |  |  |
| And then $\  \   \text{(4)}\_\_\_\_\_$ up the mess I made before I left |  |  |  |
| here  |  |  |  |
| Try to remind (5) that I was (6)  |  |  |  |
| here  |  |  |  |
| Before I knew that I could get on the (7) and fly                       |  |  |  |
| away  |  |  |  |
| From the road where the cars  |  |  |  |
| Never stop going through the night                                      |  |  |  |
| To a life where I can watch sunset                                      |  |  |  |
| And take my time  |  |  |  |
|   |  |  |  |

| I've (8)                                  | got sand in my shoes    |           |  |
|---|-------------------------|-----------|--|
| And I can't shake the                     | (9)                     | of you    |  |
| I should get on, forget you               |                         |           |  |
| But why would I want to                   |                         |           |  |
| I know we said goodbye                    |                         |           |  |
| Anything else would've been confused but  |                         |           |  |
| l wanna see you again                     |                         |           |  |
| l wanna see you again                     |                         |           |  |
| l wanna see you again                     |                         |           |  |
| Two weeks away                            |                         |           |  |
| All it takes                              |                         |           |  |
| To change and turn me around, I've fallen |                         |           |  |
| l walked away                             |                         |           |  |
| And (10)                                  | _ said that I wanted to | see again |  |
| I've still got sand in my shoes           |                         |           |  |
| And I can't shake the thought of you      |                         |           |  |
| l should get on, forget you               |                         |           |  |
| But why would I want to                   |                         |           |  |
| I know we said goodbye                    |                         |           |  |
| Anything else would've been confused but  |                         |           |  |
| l wanna see you again                     |                         |           |  |
| l wanna see you again                     |                         |           |  |
| I wanna see you again                     |                         |           |  |
