

Fill in the gaps

Two weeks away	Take all our time
It feels like the whole world should've changed	I've still got sand in my shoes
But I'm home now	And I can't shake the thought of you
And things still look the same	I should get on, forget you
I think I'll leave it till tomorrow to unpack	But why would I want to
Try to forget for one more night	I know we said goodbye
That I'm back in my flat on the road	Anything (7) would've been confused but
Where the cars (1) stop going through the night	I wanna see you again
To a life (2) I can watch sunset	I wanna see you again
I don't have time	I wanna see you again
I don't have time	Two weeks away
I've still got (3) in my shoes	All it takes
And I can't shake the thought of you	To change and turn me around, I've fallen
I should get on, forget you	I walked away
But why would I want to	And never said that I wanted to see again
I know we said goodbye	I've still got (8) in my shoes
Anything else would've been confused but	And I can't shake the (9) of you
I (4) see you again	I should get on, forget you
Tomorrow's back to work and down to sanity	But why would I want to
Should run a bath	I know we said goodbye
And then clear up the (5) I made before I left here	Anything else would've been confused but
Try to remind myself (6) I was happy here	I wanna see you again
Before I knew that I could get on the plane and fly away	I wanna see you again
From the road where the cars	I (10) see you again
Never stop going through the night	
To a life where I can watch sunset	
And take my time
