

And take my time

Fill in the gaps

Two weeks away	Take all our time
It feels like the whole (1) should've changed	I've still got (18) in my shoes
But I'm (2) now	And I can't shake the thought of you
And (3) still (4) the same	I should get on, (19) you
I (5) I'll leave it till tomorrow to unpack	But why would I want to
Try to (6) for one more night	I know we said goodbye
That I'm back in my flat on the road	Anything else would've (20) confused but
Where the cars never (7) (8) through	I wanna see you again
the night	I wanna see you again
To a life (9) I can (10) sunset	I wanna see you again
I don't have time	Two weeks away
I don't have time	All it takes
I've still got (11) in my shoes	To change and turn me around, I've fallen
And I can't shake the thought of you	I walked away
I (12) get on, forget you	And (21) said that I wanted to see again
But why would I want to	I've still got sand in my shoes
I know we said goodbye	And I can't (22) the thought of you
Anything else would've been confused but	I should get on, forget you
I wanna see you again	But why (23) I want to
Tomorrow's back to work and down to sanity	I know we (24) goodbye
Should run a bath	Anything (25) would've (26)
And (13) clear up the (14) I made	(27) but
before I left here	I wanna see you again
Try to (15) myself that I was happy here	I wanna see you again
Before I knew that I could get on the plane and fly away	I (28) see you again
From the (16) where the cars	
Never stop going through the night	
To a life (17) I can watch sunset
