## Blame It On The Rain by Milli Vanilli

Gotta blame it on something

## Fill in the gaps

Blame it on the rain	(Gotta bleme it on something)
(Yeah, yeah)	Gotta blame it on something
Blame it on the stars	Blame it on the rain that was falling, falling
(Ooh)	Blame it on the stars (6) did (7) at
You said you didn't need her	night
You told her goodbye	Whatever you do
You sacrificed a good love	Don't put the blame on you
To satisfy your pride	Blame it on the rain yeah, yeah
Now you wish that you should have her	Come on and blame it on the rain
And you feel like such a fool	'Cause the rain won't mind
You let her (1) away	And the rain don't care
Now it just don't feel the same	You got to blame it on something
Gotta (2) it on something	Blame it on the rain yeah, yeah
(Gotta blame it on something)	Blame it on the rain yeah, yeah
Gotta blame it on something	You can blame it on the rain
Blame it on the rain that was falling, falling	Blame it on the rain, blame it on the rain, baby
Blame it on the stars that did shine at night	Blame it on the stars that did shine at night
Whatever you do	Blame it, blame it on the rain
Don't put the blame on you	(Ooh)
Blame it on the rain yeah, yeah	I can't, I can't
You can blame it on the rain	I can't, can't stand the rain
Should have told her you were sorry	I can't, I can't
Could (3) said you were wrong	I can't, can't stand the rain
But no you couldn't do that	(Yeah, yeah)
No, no	Blame it on the rain that was falling, falling
You had to (4) you were strong	Blame it on the stars (8) did shine at night
(Oh)	Whatever you do
If you hadn't been so blinded	Don't put the blame on you
She might still be there with you	Blame it on the rain yeah, yeah
You want her back again	Blame it on the rain (Ooh)
But she (5) don't feel the same
