Primadonna by Marina & The Diamonds

Primadonna girl, yeah	Take a picture, I'm with the boys
All I ever wanted was the world	Get what I want cause I asked for it
I can't help (1) I (2) it all	Not because I'm really that (6) of it
The primadonna life, the rise and fall	I'm (7) life like I'm in a play
You say that I'm kinda difficult	In the limelight I want to stay
But it's always someone else's fault	I know I've got a big ego
Got you wrapped around my finger, babe	I really don't get why it's such a big deal, though
You can count on me to misbehave	Going up, going down, down, down
Primadonna girl	Anything for the crown, crown, crown
Would you do anything for me?	With the lights dimming down, down, down
Buy a big diamond ring for me?	I spin around
Would you get down on your knees for me?	'Cause I'm a primadonna girl, yeah
Pop that pretty question right now, baby	All I ever wanted was the world
Beauty queen on a silver screen	I can't help that I need it all
Living (3) like I'm in a dream	The primadonna life, the rise and fall
I know I've got a big ego	You say that I'm kinda difficult
I really don't know why it's such a big deal, thou	ugh But it's always someone else's fault
I'm sad to the core, core, core	Got you wrapped around my finger, babe
Everything is a chore, chore, chore	You can count on me to misbehave
When you give I want more, more, more	Primadonna girl, yeah
I wanna be adored	All I ever wanted was the world
'Cause I'm a primadonna girl, yeah	I can't help that I (8) it all
All I ever (4) was the world	The primadonna life, the rise and fall
I can't help that I (5) it all	You say that I'm kinda difficult
The primadonna life, the rise and fall	But it's always someone else's fault
You say that I'm kinda difficult	Got you wrapped around my finger, babe
But it's always someone else's fault	You can count on me to misbehave
Got you wrapped around my finger, babe	Primadonna girl
You can count on me to misbehave	
Primadonna girl	

- 1. that
- 2. need
- 3. life
- 4. wanted
- 5. need
- 6. deserving
- 7. living
- 8. need
