

You say you will, say you will (ah, oh)

Fill in the gaps

Never thought that I (1)	grow so old of seeing	Take me back	
the gold		Give it, up give it up to me	
Still I never want it to go		'Cause I can't go on	
I would hold it up to my cold heart		If (5) love isn't strong	
Feel the way it used to start up		See I (6) it all	
Take me back, t-t-take me back		Give me, give me all your love	
To the way that I was before		If you can't hold on	
Hungry for what was to come		Then baby, baby	
Now I'm longing for the way I was		Don't save me now, no (if your love isn't strong)	
You say you will, say you will save me		Baby, don't save me now (don't save me now)	
You say you will, say you will save me		No, no	
You say you will, say you will (2) me		And if I had to beg for your love (again, again, again)	
You say you will, say you will (ah, oh)		Tell me, tell me	
Take me back		Would it ever be (7)	(again, again, again)
Give it up, give it up to me		T-t-tell me	
'Cause I cant go on		And if I had to beg for your love (again, again, again)	
If your love isn't strong		Tell me, (8) me	
See I want it all		Would it ever be enough (again, again, again)	
Give me, give me all your love		So baby, don't save me	
But if you can't hold on		No Baby, don't save me	
Then baby, baby		Baby, don't save me now (again, again, again)	
Don't save me now, no (if your love isn't strong)		No, no (if your love isn't strong)	
Baby, don't save me now, no, no		Baby, don't save me now (again, again, again)	
All my life I wasn't (3) to	o get on a high way	No, no (if your love isn't strong)	
I was (4) which	way to go	Baby, don't save me now (again, ag	gain, again)
Spending all of my damn time		No, no (if your love isn't strong)	
Leaving all the weight behind, yeah		Baby, don't save me now (again, again, again)	
Take me back		No, no, no (if your love isn't strong)	
T-t-take me back to the song how'd it used to go, oh Don't save me (again and		Don't save me (again and again)	
Screaming for what was to come		(Again and again and again)	
Now I'm dreaming about the way I was		Don't save me (again and again)	
You say you will, say you will save me		(Again and (9) and ag	jain)
You say you will, say you will save me
