

Fill in the gaps

Never thought that I would grow so old of (1)	Take me back
the gold	Give it, up give it up to me
Still I (2) want it to go	'Cause I can't go on
I would (3) it up to my cold heart	If your (15) isn't strong
Feel the way it used to start up	See I want it all
Take me back, t-t-take me back	Give me, give me all your love
To the way that I was before	If you can't hold on
Hungry for what was to come	Then baby, baby
Now I'm longing for the way I was	Don't save me now, no (if your love isn't strong)
You say you will, say you (4) save me	Baby, don't save me now (don't save me now)
You say you will, say you will (5) me	No, no
You say you will, say you will (6) me	And if I had to beg for your (16) (again, again,
You say you will, say you will (ah, oh)	again)
Take me back	Tell me, tell me
Give it up, give it up to me	Would it ever be enough (again, again, again)
'Cause I cant go on	T-t-tell me
If (7) (8) isn't strong	And if I had to beg for your love (again, again, again)
See I want it all	Tell me, (17) me
Give me, give me all your love	Would it (18) be (19) (again,
But if you can't hold on	again, again)
Then baby, baby	So baby, don't save me
Don't save me now, no (if your (9) isn't strong)	No Baby, don't save me
Baby, don't save me now, no, no	Baby, don't (20) me now (again, again, again)
All my life I wasn't trying to get on a (10) way	No, no (if your (21) isn't strong)
I was wondering which way to go	Baby, don't save me now (again, again, again)
Spending all of my damn time	No, no (if your (22) isn't strong)
Leaving all the (11) behind, yeah	Baby, don't save me now (again, again, again)
Take me back	No, no (if (23) love isn't strong)
T-t-take me back to the (12) how'd it used to go, oh	Baby, don't (24) me now (again, again, again)
Screaming for (13) was to come	No, no, no (if your love isn't strong)
Now I'm dreaming (14) the way I was	Don't save me (again and again)
You say you will, say you will save me	(Again and again and again)
You say you will, say you will save me	Don't save me (again and again)
You say you will, say you will save me	(Again and again and again)
You say you will, say you will (ah, oh)
