

Fill in the gaps

Never thought that I would grow so old of seeing the gold	Take me back
Still I never want it to go	Give it, up give it up to me
I would hold it up to my cold heart	'Cause I can't go on
Feel the way it used to start up	If your love isn't strong
Take me back, t-t-take me back	See I want it all
To the way that I was before	Give me, give me all your love
Hungry for what was to come	If you can't hold on
Now I'm longing for the way I was	Then baby, baby
You say you will, say you will save me	Don't save me now, no (if your love isn't strong)
You say you will, say you will save me	Baby, don't save me now (don't save me now)
You say you will, say you will save me	No, no
You say you will, say you will (ah, oh)	And if I had to beg for your love (again, again, again)
Take me back	Tell me, tell me
Give it up, give it up to me	Would it ever be enough (again, again, again)
'Cause I cant go on	T-t-tell me
If your love isn't strong	And if I had to beg for (6) (7) (again,
See I (1) it all	again, again)
Give me, give me all your love	Tell me, (8) me
But if you can't hold on	Would it (9) be enough (again, again, again)
Then baby, baby	So baby, don't (10) me
Don't save me now, no (if your love isn't strong)	No Baby, don't save me
Baby, don't save me now, no, no	Baby, don't save me now (again, again, again)
All my life I wasn't trying to get on a (2) way	No, no (if your love isn't strong)
I was (3) which way to go	Baby, don't save me now (again, again, again)
Spending all of my damn time	No, no (if your love isn't strong)
Leaving all the weight behind, yeah	Baby, don't save me now (again, again, again)
Take me back	No, no (if your love isn't strong)
T-t-take me back to the song how'd it (4) to go, oh	Baby, don't save me now (again, again, again)
Screaming for what was to come	No, no, no (if your love isn't strong)
Now I'm dreaming about the way I was	Don't save me (again and again)
You say you will, say you (5) save me	(Again and again and again)
You say you will, say you will save me	Don't save me (again and again)
You say you will, say you will save me	(Again and again and again)
You say you will, say you will (ah, oh)
