

Fill in the gaps

Dead in the water	You pay (13) for me
t's not a paid vacation	As (14) as it seems
The sons and daughters	l'd (15) dissolve than (16) you
Of city officials attend demonstrations	ignore me
t's hardly a sink or swim	The (17) may be (18) fast
When all is (1) if the ticket sells	But I tied my boots to a broken mast
Out (2) a whimper	The (19) is clear
t's not a blaze of glory	You throw it in (20) cauldron
You look (3) (4) your temple	Rust and veneer
As people (5) to (6) it a story	Dusk and (21) (22) and
And (7) a (8) word	Baldwins
But all is lost if it's never heard	You start (23) a simple stock of all the waste
But I've got (9) to make reports	And salt to taste
That (10) me how my money's spent	But (24) my luck and (25) these friends
To book my (11) and draw my plans	That keep on combing (26) their smiles
So I can't tell what's really there	I save my grace with half-assed guilt
And all I need's a great big:	And lay down the quilt upon the lawn
Congratulations	Spread my (27) and soak up:
'll keep (12) dreams	Congratulations
