The Cave (Live) by Mumford & Sons

And I won't let you choke

Fill in the gaps

It's empty in the valley of your heart	On the noose around your neck
The sun, it rises slowly as you walk	And I'll find strength in pain
Away from all the fears	And I will change my ways
And all the faults you've (1) behind	I'll know my name as it's called again
The (2) left no food for you to eat	So come out of your cave walking on your hands
You cannibal, you meat-eater, you see	And see the world hanging upside down
But I have seen the same	You can understand dependence when
I know the shame in your defeat	You know the maker's land
But I will hold on hope	So make your siren's call
And I won't let you choke	And (5) all you want
On the noose around your neck	I will not (6) (7) you have to say
And I'll find strenght in pain	'Cause I need freedom now
And I will change my ways	And I need to know how
I'll know my (3) as it's called again	To live my life as it's meant to be
'Cause I have other things to fill my time	
You take what is yours and I'll take mine	And I will hold on hope
Now let me at the truth	And I won't let you choke
Which will refresh my (4) mind?	On the noose (8) your neck
So tie me to apost and block my ears	And I'll find strenght in pain
I can see widows and orphans through my tears	And I will change my ways
I know my call despite my faults	I'll (9) my name as it's called again
And despite my growing fears	
But I will hold on hope
