Evil S I yes to find a shore		I'll sit and listen to the sou	
A beach that doesn't (1)	anymore	Of sand and cold	
And we can crush some plants to paint my walls		Twisted diamond heart	
And I won't try to (2) in the weekend wars		I'm the weekend warrior	
Was I? I was too lazy to bathe		My predictions are the onl	
Or paint or write or try to make a change		I can (8)	
Now I can shoot a gun to kill my lunch		Of light	
And I don't (3) to love or think too much		And love	
Instant battle plans written on the sidewalk		I'm a curse and I'm a sour	
Mental mystics in a twisted metal car		When I open up my mouth	
Tried to amplify the sound		There's a reason I don't w	
Of light		I don't know how to begin	
And love		I'm a curse and I'm a sour	
Christ is cursed of "faders" and "maders"		When I open up my mouth	
Might even take a knife to split a hair		There's a reason I don't w	
Or (4) scare the children off my lawn		I don't know how to b	egin
Giving us time to make the make	shift bombs	I'm a (9)	and
Every mess invested was a score		When I open up my n	nouth
We couldn't use (5)	anymore	There's a reason I do	n't w
But it's (6)	to win unless you're bored	I don't know how to b	egin
And you might have to plan for th	ne weekend wars		
Try to break my heart, I'll drive to	Arizona		
It might take a hundred years to	(7) an arm
