Fill in the gaps

When You Say Nothing At All by Ronan Keating

It's amazing how you can speak right to my heart	When you say nothing at all
Without saying a word you can light up the dark	The smile on your face lets me know that you need me
Try as I may I could never explain	There's a (8) in your eyes saying you'll never
What I hear when you don't say a thing	leave me
The smile on your face lets me know that you need me	The touch of your hand says you'll catch me whenever I fall
There's a truth in your eyes saying you'll never leave me	You say it best (you say it best)
The touch of your hand says you'll catch me whenever I fall	When you say nothing at all
You say it best	(You say it best, when you say nothing at all)
When you say nothing at all	(You say it best, when you say nothing at all)
All day long I can (1) people talking out loud (oh)	The smile on your face (you say it best)
But (2) you hold me near (oh, hold me near)	The truth in your eyes (when you say nothing at all)
You drown out the crowd (drown out crowd)	The touch of (9) hand (you say it best)
Try as they may they can never define	Let's me know that you need me ()
