When You Say Nothing At All by Ronan Keating

It's amazing how you can speak right to my heart	When you say nothing at all
Without (1) a (2) you can light up	The smile on your face lets me know (8) you need
the dark	me
Try as I may I could never explain	There's a truth in your eyes saying you'll never leave me
What I hear when you don't say a thing	The touch of your hand says you'll catch me whenever I fall
The smile on your face lets me know that you need me	You say it (9) (you say it best)
There's a truth in your (3) saying you'll never	When you say nothing at all
(4) me	(You say it best, when you say nothing at all)
The (5) of your hand says you'll catch me	(You say it best, when you say nothing at all)
whenever I fall	The smile on your face (you say it best)
You say it best	The truth in your eyes (when you say nothing at all)
When you say nothing at all	The touch of your hand (you say it best)
All day long I can hear people talking out loud (oh)	Let's me know that you need me ()
But when you hold me near (oh, hold me near)	(You say it best, when you say (10) at all)
You drown out the crowd (drown out crowd)	(You say it best, when you say nothing at all)
Try as they may (6) can never define	(You say it best, when you say nothing at all)
What's being said between your (7) and mine	
The smile on your face lets me know that you need me	
There's a truth in your eyes saying you'll never leave me	
The touch of your hand says you'll catch me whenever I fall	
You say it best (you say it best)
