## When You Say Nothing At All by Ronan Keating

| It's amazing how you can speak right to my heart            | When you say nothing at all                          |
|---|--|
| Without saying a word you can (1) up the dark               | The smile on your face lets me know that you (5)     |
| Try as I may I could never explain                          | me   |
| What I hear when you don't say a thing                      | There's a truth in your eyes saying you'll never     |
| The smile on your face lets me know that you need me        | (6) me   |
| There's a truth in your eyes saying you'll never leave me   | The touch of your hand says you'll catch me          |
| The touch of your hand says you'll catch me whenever I fall | (7) I fall   |
| You say it best   | You say it (8) (you say it best)                     |
| When you say nothing at all                                 | When you say nothing at all                          |
| All day long I can hear people talking out loud (oh)        | (You say it best, when you say nothing at all)       |
| But when you (2) me near (oh, hold me near)                 | (You say it best, when you say nothing at all)       |
| You drown out the crowd (drown out crowd)                   | The smile on your (9) (you say it best)              |
| Try as they may they can never define                       | The truth in your eyes (when you say nothing at all) |
| What's being said between your heart and mine               | The touch of your (10) (you say it best)             |
| The smile on your face lets me (3) that you need            | Let's me know that you need me ()                    |
| me  | (You say it best, when you say nothing at all)       |
| There's a truth in your (4) saying you'll never leave       | (You say it best, when you say nothing at all)       |
| me  | (You say it best, when you say nothing at all)       |
| The touch of your hand says you'll catch me whenever I fall |  |
| You say it best (you say it best)                           |  |
