Say My Name by Destiny's Child

Fill in the gaps

Why can't you just tell the truth

Fill in the gaps

Say my name, say my name

If no one is around you

Say baby I love you if you ain't running game

Say my name, say my name

You acting kind of shady

Ain't calling me baby, why the sudden change

Say my name, say my name

If no one is around you

Say baby I love you if you ain't running game

Say my name, say my name

You acting kind of shady

Ain't calling me baby

Better say my name

What is up with this, tell the truth, who you with

How would you like it if I came over with my clique

Don't try to change it now

See you gotta bounce

When two seconds ago said you just got in the house

It's hard to believe that you are at home, by yourself

When I just heard the voice

Heard the (3)_____ of someone else

Just this question why do you feel, you gotta lie

Getting caught up in your game

When you can not say my name

I know you say that I am assuming things

Something's going down that's the way it seems

Shouldn't be the reason why you're acting strange

If nobody's holding you back (4)_____ me

'Cause I know how you used to do
