

## Fill in the gaps

And in (1) eyes	Falling like a star
see ribbons of color	Finding a belief
see us	Falling where you are
nside of (2) other	Catch me, don't let me drop
feel my unconscious (3) (4) yours	Love me, don't (17) stop
And I hear a (5) say	So close your eyes
What's his is hers	And let me kiss you
'm (6) into you (falling into you)	And while you sleep
This dream (7) come true	I (18) miss you
And it (8) so (9) (falling	I'm falling into you (falling (19) you)
(10) you)	This dream could come true
Falling (11) you	And it (20) so good (falling (21) you)
was (12) (I was afraid)	Falling into you
To let you in here	Falling like a leaf
Now I have learned	Falling (22) a star
_ove can't be made in fear	Finding a belief
The walls begin to (13) down	Falling (23) you are
And I can't even	Falling (24) you
See the ground	Falling into you
'm falling into you (falling into you)	Falling (25) you
This (14) could come true	
And it feels so (15) (falling into you)	
Falling into you	
Falling (16) a leaf	

## Fill in the gaps
