

Fill in the gaps

Hands Clean by Alanis Morissette

If it weren't for your maturity	And you've (14) (15) hands
None of this would (1) happened	(16) of this
If you weren't so (2) beyond your years	What part of our history's re-invented and (17)
I would've been able to control myself	rug swept
If it weren't for my attention	What part of your memory is selective and tends to forget
You wouldn't have been successful, and if	What with this distance it seems so obvious
If it weren't for me, you would never	Just make sure you don't tell on me
Have amounted to (3) much	Especially to members of your family
This could be messy, but	We (18) keep (19) to ourselves
But you don't seem to mind, and	And not tell any members of our inner posse
Don't go telling everybody, and	I wish I (20) tell the world
And over-look this supposed crime	'Cause you're such a (21) thing
We'll fast (4) to a few (5)	When you're done up properly
later, and	I might wanna marry you one day
And no one knows except the both of us	If you'd watch that weight and you keep your firm body
And I have honored your request for silence	This could be messy
And you've washed your hands clean of this	I don't seem to mind
You're essentially an employee	Don't go telling everybody, and
And I like you having to (6) on me	Over-look this supposed crime
You're a kind of protégé and one day you'll say	We'll fast forward to a few years later, and
You learned all you know from me, and	No one (22) except the both of us
And I (7) you (8) on me	And I have (23) your (24)
Like a young thing would to a guardian	for silence
I know you sexualize me	And you've washed your hands clean of this
Like a young thing would and I think I like it	This could get messy, but
This could get messy, but	I don't seem to mind
You don't seem to mind	Don't go telling everybody, and
Dude, don't go telling everybody, and	Over-look this (25) crime
Over-look (9) supposed crime	We'll fast forward to a few years later, and
We'll (10) forward to a few (11) later,	No one knows (26) the both of us
and	And I (27) honored your request for silence
No one knows except the both of us	And you've washed your hands clean of this
l've more than honored (12) (13)	
for silence
