| And I have honored your request for silence | This (9) be messy |
| And you've washed your hands clean of this | I don't seem to mind |
| You're essentially an employee | Don't go telling everybody, and |
| And I like you having to depend on me | Over-look this supposed crime |
| You're a kind of protégé and one day you'll say | We'll fast forward to a few years later, and |
| You learned all you know from me, and | No one knows except the both of us |
| And I know you depend on me | And I have honored your (10) for silence |
