Oh, holy night	A new and (6) morn (glorious morn)
The stars are (1) shining, it is the night	Fall on (7) knees
Of our dear Savior's birth	Oh, hear (hear the Angels' voices)
Long lay the world	Oh, night
In sin and error pining, till He appeared	Divine, yeah
And the soul felt it's worth	Oh, night
A thrill of hope	When Christ was born
The weary world rejoices	Oh, night
For yonder breaks	Divine
A new and (2) morn	Oh, night divine (oh, night divine)
Fall on your knees	He saved us (oh, (8) divine)
Oh, (3) the Angels' voices	It is the night of our dear Savior's birth
Oh, night divine	(Oh, night divine)
Oh, night	(Oh, night divine)
When Christ was born	It was a oh night, oh night, oh night (holy night)
Oh, night	Oh night divine, dear Saviour
Divine	(Yeah)
Oh, night	Oh night divine, oh night, holy night
