

Society by Eddie Vedder

Fill in the gaps

(Oh) It's a mystery to me
We have agreed with which we have agreed
And you think you have to want more than you need
Until you have it all you won't be free
Society, you're a crazy breed
I (1)_____ you're not (2)_____ without me...
When you want more than you have
You think you need...
And (3)_____ you (4)_____ more than you want
Your thoughts begin to bleed
I think I need to find a bigger place
Because when you have more than you think
You need more space
Society, you're a crazy breed
I hope you're not lonely without me...
Society, crazy indeed

I hope you're not lonely (5)_____ me...
There's those thinking, more-or-less, less is more
But if less is more, how you keeping score?
Means for every point you make, your level drops
Kinda like you're starting from the top
You can't do that...
Society, you're a crazy breed
I (6)_____ you're not lonely (7)_____ me...
Society, (8)_____ indeed
I hope you're not lonely without me...
Society, have mercy on me
I hope you're not (9)_____ if I disagree...
Society, crazy indeed
I hope you're not lonely without me...
