## Falling Down by Scarlett Johansson

have come five hundred miles just to see a halo	Falling down
Come from (1) Petersburg, Scarlett and me	Falling down, falling down, (5) down
Vell I open my eyes, I was blind as can be	Go on down to (6) wrecking ball
Vhen you give a man luck	Come swinging along
He must fall in the sea	Everyone knew that (7) was a goner
And she wants you to (2) and get caught	They broke all the windows
For she loves you for all that you are not	They took all the door knobs
Falling down	They hauled it away
Falling down, falling down	In a couple of days
Falling down	Now someone yell timber
ou forget all the roses don't come around on Sunday	And take off your hat
She's not gonna (3) you for standing so tall	It's a lot smaller down here on the ground
Go on and take a (4) of that poison and like it	Falling down
Oon't ask for silverware	Falling down, (8) down
Oon't ask for nothing	(9) down
