Let's (3) (4) music, make some money	Yeah, I'll (15) the boredom and the freedom
Find some models for wives	And the time (16) alone

You man the island	Life can (17) (18) up anew
And the (7) and the elegant cars	The models will have children

To live (8) and die young	We'll (19) some (20) models
We've got the vision	Everything must run it's course
Now let's (9) some fun	We'll (21) on our vomit
Yeah, it's overwhelming	And (22) (23) be the end
But what (10) can we do	We (24) fated to pretend
Get jobs in offices	To pretend
And wake up for the morning commute	We're fated to pretend
Forget (11) our mothers and our friends	To pretend
We're fated to pretend	I (25) yeah, yeah, yeah
To pretend	Yeah, yeah
We're fated to pretend	Yeah, yeah

I'll miss the (14) of my mother	
And the weight of the world
