Baby, It's Cold Outside by She & Him

I really can't stay	Mind if I move a little closer
Baby it's cold outside	At least I'm gonna say that I tried
I've got to go away	What's the sense in hurting my pride
Baby it's cold outside	I (10) can't stay
This evening has been	Baby don't hold out
Hoping that you'd drop in	(Ah) but it's cold outside
So very nice	I've got to go home
I'll (1) (2) hands, they're just like ice	Oh, baby, you'll (11) out there
My mother will start to worry	Say, (12) me your comb
Beautiful, what's (3) hurry	It's up to your knees out there
My father will be pacing the floor	You've really (13) grand
Listen to the (4) roar	I'm (14) (15) you touch my
So really I'd (5) scurry	hand
Beautiful, please don't hurry	Why don't you see?
Maybe just a half a drink more	How can you do this (16) to me
Put (6) records on while I pour	There's (17) to be (18) tomorrow
The neighbors might think	Think of my (19) sorrow
Baby, it's bad out there	At least there will be (20) implied
Say, what's in this drink	If you caught (21) and died
No cabs to be had out there	I really can't stay
I (7) I knew how	Get over (22) hold out
Your eyes are like (8) now	(Ah) but it's cold outside
To break this spell	Oh baby it's cold outside
I'll take your hat, your hair (9) swell	Oh (23) it's (24) outside
I ought to say no, no, no
