

## Fill in the gaps

### Love Will Tell Us Where to Go (Acoustic) by Bridgit Mendler

I know exactly how you feel  
It doesn't matter what you say  
I see the sun begin to set  
And we gotta, gotta get away  
I gotta patch of open road  
I already miss you (1)\_\_\_\_\_ all of my soul  
So before we both get old  
I think we gotta, gotta get away  
I keep wishing for all the tickets  
Stack 'em on my wall  
Let's rip them down  
And leave the town before the cops can call  
And bring us back  
Cover our tracks in the dust  
I (2)\_\_\_\_\_ we must  
Take on the world  
Let's go crazy  
Love will tell us where to go  
I'll be your girl, be my baby  
Love will tell us where to go  
(Oh oh oh) through a dark night  
(Oh oh oh) (3)\_\_\_\_\_ a sunrise  
(Oh oh oh) and we will be alright  
Love will tell us where to go  
Love will tell us where to go  
Love will tell us (4)\_\_\_\_\_ to go  
The wheels on this train keep turning  
We're (5)\_\_\_\_\_ (6)\_\_\_\_\_ the birds and  
The worlds so bright it (7)\_\_\_\_\_ when  
We're on the getaway  
I'm the Bonnie to your Clyde  
You're the mood and I'm the tide, I  
I want (8)\_\_\_\_\_ for all of my life  
Since the night that we got away  
I keep wishing for all the tickets  
Stack 'em on my wall  
Let's rip them down  
And leave the town before the cops can call

And bring us back  
Cover our tracks in the dust  
I think we must  
Take on the world  
Let's go crazy  
Love will tell us where to go  
I'll be your girl, be my baby  
Love will tell us where to go  
(Oh oh oh) (9)\_\_\_\_\_ a dark night  
(Oh oh oh) without a sunrise  
(Oh oh oh) and we will be alright  
Love will tell us where to go  
Love will tell us where to go  
Love will tell us where to go  
When things get rough  
When we have loved  
We've got enough to tell us where to go  
When we get lost  
When love is all (oh) that we got  
To tell us where to go  
Then we're alright  
We'll be alright  
Tell us where to go  
Then we're alright  
We'll be alright  
Love will tell us where to go  
Take on the world, let's go crazy  
Love will tell us where to go  
I'll be your girl, be my baby  
Love will tell us where to go  
(Oh oh oh) through a dark night  
(Oh oh oh) without a sunrise  
(And we will be alright)  
Love will tell us where to go  
...

## Fill in the gaps

Answer

1. with
2. think
3. without
4. where
5. flying
6. with
7. hurts
8. this
9. through
