

Fill in the gaps

Small Bump (Acoustic) by Ed Sheeran

You're just a (1) bump unborn	Cos you are my one and only
In four moths you're brought to life	You can (14) your fingers round my thumb
You might be (2) (3) my hair	And (15) me tight
But you'll have (4) mother's eyes	(Oh) you are my one and only
I'll hold your body in my hands, be as gentle as I can	You can wrap your fingers (16) my thumb
But for now your (5) of my unmade plans	And (17) me tight
Just a small bump	And you'll be alright
In four months, you'll open your eyes	You can lie with me
And I'll hold tightly, I'll give you nothing but truth	With your tiny (18) when you're (19)
If you're not inside me, I'll put my (6) in you	asleep
Cos you are my one and only	I'll leave you be
You can wrap your fingers round my thumb	Right in (20) of me for a (21)
And hold me tight	weeks
Oh you are my one and only	So I can keep you safe
You can wrap (7) (8) round my	Cos you are my one and only
thumb	You can (22) your fingers round my thumb
And hold me tight	And hold me tight
You'll be alright	(Oh) you are my one and only
Oh you're just a (9) (10) unknown	You can wrap your fingers round my thumb
You'll grow into (11) skin	And hold me tight
With a smile like hers	And you'll be alright
And a dimple beneath your chin	Cos you were just a small (23) unborn
Finger nails the size of a half grain of rice and	For four months then torn from life
Eyelids closed to be soon opened wide	And (24) you were needed up there
A (12) bump, in four months you'll open your	But we're still unaware as why
eyes	
And I'll hold you tightly, I'll give you nothing but truth	
If you're not inside me, I'll put my (13) in you
