And the morning (2) so grey	try
So unlike yesterday	If we don't we (12) as well lay (13)
Now's the time for us to say	and die
Happy New Year	You and I
Happy New Year	Seems to me now
May we all have a vision now and then	That the dreams we had before
Of a (3) where (4) neighbour is a	Are all dead, nothing more
friend	Than (14) on the floor
Happy New Year	It's the end of a decade
Happy New Year	In (15) ten years' time
May we all have our hopes, our (5) to try	Who can say what we'll find
If we don't we might as well lay down and die	What (16) waiting (17) the line
You and I	In the end of eighty-nine
Sometimes I see	Happy New Year
How the brave new world arrives	Happy New Year
And I see how it thrives	May we all have a vision now and then
In the (6) of our lives	Of a world where every (18) is a friend
(Oh yes) man is a fool	Happy New Year

Dragging on, feet of clay	May we all have our hopes, our will to try
Never (7) he's astray	If we don't we might as well lay (19) and die
Keeps on going anyway	You and I
