

Fill in the gaps

(This are this are this are)	A mad to width a
(This one, this one, this one)	A god is riding
Did I ever	Upon his back
Take you in my arms	How calm the water
Look you in the eye	And bright the rainbow
Tell you that I do	Fade this one to black
Did I ever	What opportunities did we allow to (11) by
Open up my heart	Feeling like the (12) wasn't (13)
And let you (1) inside	right
If I never did it	What (14) of magic might
I was (2) waiting	Have (15) if we had (16) calm
For a (3) moment	Couldn't I have (17) you a better life
That didn't come	Did you ever
There (4) be	Take you in (18) arm
A better moment	Look me in the eye
Than this one, (6) one	And (19) me that you do
The swan is gliding	Did I ever
Above the ocean	Open up my heart
A god is riding	Let you look inside
Upon his back	If I (20) did it
How calm the water	I was only waiting
And bright the rainbow	For a better moment
Fade (7) one to black	That didn't come
Did I ever	There never could be
Touch you on the cheek	A better moment
Say (8) you were mine	Than (21) one, this one
Thank you for the smile	The swan is gliding
Did I ever	Above the ocean
Knock upon your door	A god is riding
And try to get inside	Upon his back
If I never did it	How calm the water
I was only waiting	And (22) the rainbow
For a better moment	Fade (23) one to black
That didn't come	The (24) is gliding
There never could be	A god is riding
A (9) moment	Calm the water
Than this one, this one	Bright the rainbow
The (10) is gliding	
Above the ocean
