

This One by Paul McCartney

Fill in the gaps

(This one, this one, this one)

Did I ever

Take you in my arms

Look you in the eye

Tell you that I do

Did I ever

Open up my heart

And let you look inside

If I never did it

I was only waiting

For a better moment

That didn't come

There never could be

A better moment

Than this one, this one

The swan is gliding

Above the ocean

A god is riding

Upon his back

How calm the water

And bright the rainbow

Fade this one to black

Did I ever

Touch you on the cheek

Say (1)_____ you were mine

Thank you for the smile

Did I ever

Knock upon your door

And try to get inside

If I never did it

I was only waiting

For a better moment

That didn't come

There (2)_____ (3)_____ be

A better moment

Than this one, this one

The (4)_____ is gliding

Above the ocean

A god is riding

Upon his back

How calm the water

And bright the rainbow

Fade this one to black

What opportunities did we (5)_____ to flow by

Feeling like the timing wasn't (6)_____ right

What kind of magic might

Have worked if we had stayed calm

Couldn't I have given you a better life

Did you ever

Take you in your arm

Look me in the eye

And tell me (7)_____ you do

Did I ever

Open up my heart

Let you look inside

If I never did it

I was only waiting

For a better moment

That didn't come

There never could be

A better moment

Than (8)_____ one, this one

The swan is gliding

Above the ocean

A god is riding

Upon his back

How calm the water

And bright the rainbow

Fade (9)_____ one to black

The swan is gliding

A god is riding

Calm the water

Bright the rainbow
