

Fill in the gaps

This One by Paul McCartney

(This one, this one, this one)

Did I ever

Take you in my arms

Look you in the eye

Tell you that I do

Did I ever

Open up my heart

And let you look inside

If I never did it

I was only waiting

For a better moment

That didn't come

There never could be

A better moment

Than this one, this one

The swan is gliding

Above the ocean

A god is riding

Upon his back

How calm the water

And bright the rainbow

Fade this one to black

Did I ever

Touch you on the cheek

Say (1)_____ you were mine

Thank you for the smile

Did I ever

Knock upon your door

And try to get inside

If I never did it

I was only waiting

For a (2)_____ moment

That didn't come

There never could be

A better moment

Than (3)_____ one, (4)_____ one

The swan is gliding

Above the ocean

A god is riding

Upon his back

How calm the water

And bright the rainbow

Fade this one to black

What opportunities did we allow to flow by

Feeling like the timing wasn't quite right

What kind of magic might

Have worked if we had stayed calm

Couldn't I have given you a better life

Did you ever

Take you in (5)_____ arm

Look me in the eye

And tell me that you do

Did I ever

Open up my heart

Let you look inside

If I never did it

I was (6)_____ waiting

For a (7)_____ moment

That didn't come

There never could be

A (8)_____ moment

Than this one, (9)_____ one

The swan is gliding

Above the ocean

A god is riding

Upon his back

How calm the water

And bright the rainbow

Fade this one to black

The swan is gliding

A god is riding

Calm the water

Bright the rainbow
