Take (1) to realize	That we'd be (14) for each other
That (2) warmth is	And we'll (15) find another
Crashing down on me	Just realize
Take time to realize	What I just realized
That I am on your side	We'd never (16) to wonder
Well didn't I, didn't I tell you	If we missed out on (17) other, but
But I can't spell it out for you	It's not the same
No it's never gonna be that simple	No it's never the same
No I can't spell it out for you	If you don't feel it too
If you just realize	If you meet me (18) way
What I (3) realized	If you would meet me (19) way
That we'd be (4) for each other	It could be the same for you
And we'll never (5) another	If you (20) realize
Just realize	What I just realized
What I just realized	That we'd be perfect for each other
We'd (6) have to wonder	And we'll never (21) another
If we (7) out on each other, now	Just realize
Take time to realize	What I just realized
(Oh oh) I'm on (8) side	We'd never (22) to wonder
Didn't I, didn't I tell you	Just realize
Take time to realize	What I just realized
This all can (9) you by	If you (23) realize
Didn't I tell you	What I just realized
But I can't (10) it out for you	Missed out on each other now
No, it's (11) gonna be (12) simple	Missed out on (24) other now (owa, owa ohh)
No, I can't spell it out for you	Realize, Realize
If you (13) realize	
What I just realized
