Tranquilize by The Killers & Lou Reed

Fill in the gaps

Fime it tells living in my home town	Acid rain, when Abel looked up at Cain
Nedding bells, they begin easy	We began the weeping and wailing
ive it down, baby don't talk that much	A hurried high from pestilence pills and pride
Baby knows, but baby don't tease me	It's a shame, we could have gone sailing
n the park we could go walking	But heaven knows
Drowned in the dark	Heaven knows everything
Or we could go sailing on the sea	Tranquilize
Always here, always on time	I got this feeling that they're (7) break down the
Close call, was it love or was it just easy?	door
Money talks when people need shoes and socks	I got this feeling that they're gonna come back for more
Steady boys, I'm thinking she needs me	See I was thinking that I lost my mind
was just sipping on something sweet	But it's been getting to me all this time
don't need political process	And it don't stop dragging me down
got (1) feeling that they're gonna break down the	Silently reflection turns my world to stone
door	Patiently (8) leaves us all alone
got this feeling that they're (2) come back for	And sometimes I'm a travel man
nore	But tonight this engine's failing
See I was thinking that I lost my mind	I still hear the children playing
But it's been getting to me all (3) time	Dead beat dancers, come to us and stay
And it don"t stop dragging me down	'Cause I don't care where you've been
Silently (4) turns my world to stone	And I don't (9) what you've seen
Patiently correction leaves us all alone	We're the ones who still believe
And sometimes I'm a travel man	And we're looking for a page
But tonight this engine's failing	In that lifeless book of hope
(5) hear the children playing	Where a dream might (10) you cope
Cick the can, kick the can	With the Bushes and the bombs
Skip and blackjack	Tranquilize
Steal a car and ring a round-rosey	
Rock and roll, candyland, boogeyman	
Run away and give me (6) sneakers
