

Fill in the gaps

So you (1) away	And it (14) take some (15) to
Into a (2) sky morning	Patch me up inside
Now I'm here to stay	But I cant (16) it so I
Love can be so boring	I run (17) and hide
And nothing's quite the same now	And I might (18) in time that
I just say (3) name now	You were (19) right
But it's not so bad	You're always right
You're only the (4) I ever had	So you sailed away
You don't want me back	Into a (20) sky morning
You're (5) the (6) I ever had	Now, I'm (21) to stay
So you (7) my world	Love can be so boring
Now I'm (8) a phony	Was it what you wanted?
Remembering the girl	Could it be I'm haunted?
Leaves me down and loney	But it's not so bad
Well (9) it in a letter	You're only the best I ever had
Make yourself (10) better	You (22) want me back
But it's not so bad	You're just the best I ever had
You're only the best I (11) had	You're (23) the best I (24) had
You dont (12) me back	
You're (13) the best I ever had
