## He Didn't Have To Be by Brad Paisley

when a single morn goes out on a date with	i met the girl that's now my wife
Somebody new	About three years ago
It (1) winds up (2) more	We had the perfect marriage but
like	We wanted something more
A job interview	Now here I stand surrounded by our family and friends
My momma (3) to wonder	Crowded 'round the nursery window
If she'd ever (4) someone	As they bring the baby in
Who wouldn't (5) out about me and then	And now, all of a sudden
Turn (6) and run	(Oh) it (10) so strange to me
I met the man I call my dad	How we've gone from something's
When I was five years old	Missing to a family
He took my mom out to a movie	Looking through the glass, I think
And for once I got to go	About the man that's standing next to me
A few months later, I remember	And I hope I'm at least half the dad
Lying (7) in bed	That he didn't have to be
I overheard him pop the question	And looking back all I can say about
And I prayed that she'd say yes	All the things he did for me
And then, all of a sudden	Is I hope I'm at least
(Oh) it (8) so (9) to me	Half the dad that he didn't have to be
How we went from something's	Because he didn't have to be
Missing to a family	You know he didn't have to be
Looking back, all I can say about	
All the things he did for me	
Is I hope I'm at least
