

## Fill in the gaps

## Beauty In The World by Macy Gray I know you're fed up

I know you're fed up	And lose it
Life don't led up	In sweet music
For us	And dance with me
All they talk about	'Cause there is beauty in the world
Is what is going down	So much (10) in the world
What's been messed up	Always beauty in the world
For us	There is beauty in the world
When I look around	Shake your booty, (11) and girls
I see (1) skies	Yeah, (12) in the world
I see butterflies	Pick your diamond, pick your pearl
For us	'Cause there is (13) in the world
Listen to the sound	All together now
And lose it	Hey you, throw your (14) up and holla
In sweet music	Hey you, (15) your hands up and holla
And (2) with me	When you don't (16) what to do
'Cause (3) is (4) in the world	Don't know if you'll make it through
So much beauty in the world	Remember God is giving you
Always beauty in the world	Beauty in the world, so love (beauty in the world)
So much beauty in the world	Yeah, love (beauty in the world)
So shake (5) booty, boys and girls	There is beauty in the world
For the beauty in the world	Beauty in the world
Pick your diamond, pick (6) pearl	So (17) (18) booty (boys and Girls)
There is (7) in the world	All the beauty in the world
All together now	Pick your diamond, pick your (19) (pick your
We need more loving	pearl)
We need more money	There is beauty in the world
They say	All together now
Change is gonna come	Yeah, love
Like the weather	Yeah, love
They say forever	Oh, love
They say	All (20) now
So (8) in between	Hey baby when I'm looking at you (at you)
Notice the (9) skies	I know it's fact, it's true (it's true)
Notice the butterflies	There's love, there's hope for love
Notice me	And there's beauty in the world
Stop and smell the flowers
