Can't Get My Head Around You by The Offspring

Deep inside your soul, there's a hole	What's (5) going on inside yo	ıu
You don't wanna see	I can't get my head (6) you	
Every single day, what you say	All your feeding	
Makes no sense to me		
Even though I try	Shows you're bleeding	
can't get my head (1) you		
Somewhere in the night, there's a light	Deep inside your soul, there's a hole	
In front of me	You don't wanna see	
Heaven up above, with a shove	Covering it up, like a cut	
Abandons me	With the likes of me	
And (2) though I try	You (7) I've really tried	
I fall in ther river of you	I can't do anymore about you	
You've managed to (3) me (4) too	The cut's (8) deeper	
All your faking	The hill's getting steeper	
	I guess I'll never know	
Shows you're aching	What's really going on (9) you	u
	I can't get my head around you	
Every single day, what you say	I can't get my head around you	
Makes no sense to me	I can't get my (10) around you
