

Fill in the gaps

There's something wrong with the world today	But we can (22) them no or we could let it go
I don't know what it is	But I would rather be a hanging on
Something's wrong (1) our eyes	Living on the edge
We're seeing things in a different way	You can't (23) yourself from falling
And God (2) it ain't His	Living on the edge, you can't help yourself at all
It sure ain't no surprise	Living on the edge, you can't stop yourself (24)
We're living on the edge	falling
We're living on the edge	Living on the edge (everybody, evertbody)
We're living on the edge	Living on the edge
We're living on the edge	Living on the edge
There's something (3) with the (4)	Living on the edge
today	(Yeah, yeah, yeah, yeah, yeah, yeah)
The (5) bulb's (6) dim	Living on the edge
There's (7) in the sky	You can't help yourself from falling
If you can judge a (8) man	Living on the edge, you can't help yourself at all
By the color of his skin	Living on the edge, you can't (25)
Then mister you're a better man (9) I	(26) from falling
We're (10) on the edge	Living on the edge
You can't help yourself from falling (everybody)	Living on the edge
Living on the edge, you can't (11)	You can't help yourself (everybody)
(12) at all	You can't (27) (yourself)
Living on the edge, you can't stop (13)	Living on the edge
from falling	You can't help yourself at all
Living on the edge	Living on the edge
Tell me (14) you think about (15)	You can't help yourself
situation	You can't (28) (yourself)
Complication, aggravation is (16) to you	Living on the edge
If Chicken Little tells you that the sky is falling	You can't help yourself
Even if it wasn't would you still come crawling	You can't help (yourself)
Back again, I bet you would my friend	Living on the edge
Again and (17) and again and (18)	You can't help yourself from falling
and again	Living on the edge
Tell me what you think about your situation	(Yeah, yeah, yeah, yeah, yeah)
Complication, aggravation is (19) to you	Yeah, you got to that now
If Chicken Little tells you that the sky is falling	
Even if it was (20) would you still come crawling	
Back again, I bet you would my friend	
Again and again and again and again	
There's something right with the world today	
And (21) knows it's wrong
