

And everybody knows it's wrong

## Fill in the gaps

There's something wrong with the world today	But we can tell them no or we could let it go
I don't know (1) it is	But I would rather be a hanging on
Something's wrong with our eyes	Living on the edge
We're seeing things in a different way	You can't help yourself from falling
And God knows it ain't His	Living on the edge, you can't help yourself at all
It sure ain't no surprise	Living on the edge, you can't stop yourself from falling
We're living on the edge	Living on the edge (everybody, evertbody)
We're living on the edge	Living on the edge
We're living on the edge	Living on the edge
We're living on the edge	Living on the edge
There's something wrong with the world today	(Yeah, yeah, yeah, yeah, yeah, yeah)
The light bulb's (2) dim	Living on the edge
There's meltdown in the sky	You can't (7) yourself from falling
If you can judge a wise man	Living on the edge, you can't help yourself at all
By the color of his skin	Living on the edge, you can't stop (8)
Then mister you're a better man that I	from falling
We're living on the edge	Living on the edge
You can't help yourself from falling (everybody)	Living on the edge
Living on the edge, you can't help yourself at all	You can't help (9) (everybody)
Living on the edge, you can't stop (3)	You can't help (yourself)
from falling	Living on the edge
Living on the edge	You can't help yourself at all
Tell me what you think about your situation	Living on the edge
Complication, aggravation is getting to you	You can't help yourself
If Chicken Little tells you that the sky is falling	You can't help (yourself)
Even if it wasn't would you still come crawling	Living on the edge
Back again, I bet you would my friend	You can't help yourself
Again and again and again and again	You can't help (yourself)
Tell me what you think (4) your situation	Living on the edge
Complication, aggravation is (5) to you	You can't help yourself (10) falling
If (6) Little tells you that the sky is falling	Living on the edge
Even if it was would would you still come crawling	(Yeah, yeah, yeah, yeah, yeah)
Back again, I bet you would my friend	Yeah, you got to that now
Again and again and again and again	
There's something right with the world today
