

Fill in the gaps

Just tell me what you've got to say to me		And you're such a charming, handsome man
I've been waiting for so (1) to hear the truth		Now I think I finally understand
It comes as no surprise at all you see		Is it in your genes, I don't know
So cut the crap and tell me that we're through		But I'll soon find out, that's for sure
Now I (2) your heart, I know your mind		Why did you play me this way
You don't even know you're being unkind		Well I guess what you say is true
So much for all your (3)	Marxist ways	I could never be the right kind of girl for you
Just use me up and then you walk away		I could (5) be (6) woman
Boy, you can't play me that way		I could (7) be your woman
Well I guess what you say is true		I could never be your woman
I could never be the right kind of girl for you		I could never be your woman
I could never be your woman		Well I guess what they say is true
I could never be your woman		I could never (8) my life with a man like you
I (4) never be your woman		I could never be your woman
I could never be your woman		I could never be your woman
When I saw my best friend yesterday		I could (9) be your woman
She said she never liked you from the start		I could never be your woman
Well me, I wish that I could claim the same		
But you always knew you held my heart
