

## Fill in the gaps

Just tell me (1) you've got to say to me	And you're such a charming, handsome man
I've been waiting for so long to hear the truth	Now I think I (13) understand
It comes as no (2) at all you see	Is it in your genes, I don't know
So cut the (3) and tell me that we're through	But I'll soon find out, that's for sure
Now I know (4) heart, I know your mind	Why did you play me this way
You don't even know you're being unkind	Well I (14) what you say is true
So (5) for all your (6) Marxist	I (15) (16) be the right kind of gi
ways	for you
Just use me up and then you walk away	I (17) never be your woman
Boy, you can't play me that way	I could never be your woman
Well I guess what you say is true	I could never be your woman
I (7) never be the right kind of girl for you	I could (18) be (19) woman
I (8) never be your woman	Well I guess what (20) say is true
I could never be your woman	I could (21) spend my life with a man like you
I (9) never be (10) woman	I could (22) be your woman
I could never be your woman	I could (23) be your woman
When I saw my best friend yesterday	I could never be (24) woman
She said she (11) liked you from the start	I (25) never be (26) woman
Well me, I wish that I could claim the same	
But you always (12) you held my heart
