What About Now by Westlife

All that I was (7)_____ to be

What if our love

Fill in the gaps

Shadows fill an empty heart	Never went away
As love is fading	What if it's lost behind
From all the (1) that we are	Words we could (8) find
But are not saying	Baby, before it's too late
Can we see beyond the scars	What about now
And make it to the dawn	Now that we're here
Change the colours of the sky	Now that we've come this far
And open up to	Just hold on
The ways you made me feel alive	There is nothing to fear
The ways I loved you	For I am right beside you, for
For all the things that never died	All my life I am yours
To make it through the night, love will find you	What about now
What about now	What about today
What about today	What if you're making me
What if you're making me	All that I was meant to be
All that I was meant to be	What if our love
What if our love	Never went away
Never went away	What if it's lost behind
What if it's lost behind	Words we could (9) find
Words we could never find	What about now
Baby, before it's too late	What about today
What about now	What if you're making me
The sun is (2) in your eyes	All that I was meant to be
To start a new day	What if our love
This broken heart can still survive	Never went away
With a (3) of your grace	What if it's lost behind
Shadows fade into the light	Words we could never find
I am by your (4) (5) (6)_	Baby, before it's too late
will find you	Baby, before it's too late
What about now	Baby, before it's too late
What about today	What about now
What if you're making me
