Everyday like a mardi gras everybody (2) all day				
No (3) all play okay				
So we sip a little something lay the rest the spill				
Me and Charlie at the bar running up a high bill				
Nothing less than I'll when we dress to kill				
Everytime the ladies pass, they be like (hi Will)				
Can you all feel me, all ages and races				
Real sweet faces, every different nation				
Spanish, Haitian, Indian, Jamaican				
Black, White, Cuban, and Asian

But every time I come I always wind up staying				
This the (4) of town I could spend a few days in				
Miami the (5) that (6) the roof blazing

All night on the beach till the break of dawn

But I can't feel a drip on the strip

It's a trip, ladies half-dressed, fully equipped				
And they be screaming out (Will we loved your last hit)				
So I'm thinking I'm a scoot me something hot				
In (11) south-sea (12) (13) pot				
Hottest club in the city and it's right on the beach				
Temperature get to you it's about to reach				
Five hundred degrees in the Carribean seas				
With the hot mommies screaming (ay, papi)				
Every time I come to town, they be spotting me				
In the drop Bentley, ain't no (14) me				
So, cash in your dough and flow to this fashion show				
Pound for pound anywhere you go				
Yo, ain't no city in the world like this				
And if you ask how I know				
I gots to plead the (15) (Miami)				
Party in the city where the heat is on				
All night on the beach till the break of dawn				
Welcome to (16) (bienvenido a Miami)				
(Party time) (welcome to Miami)				
(Everybody knows it's party time)				
Bouncing in the club where the (17) is on				
All night on the (18) till the break of dawn				
(Party time)				
Jig it out, jig it out

Everybody party all day
